Makayla

New Mom, New Needs

Makayla had always been a normal girl with a normal sex drive. A couple of times a week was always enough in the past, and during her pregnancy even that was too much, as she wasn't feeling very sexual. That all changed with motherhood and now, if she doesn't get a hard cock in her on a daily basis she's ready to climb the walls out of sheer frustration. It's getting to the point where her husband might have to call in reinforcements as he's caught between an insatiable wife and taking care of a new baby. Take one look at her and you'll agree that they'll be no shortage of volunteers.

Makayla can’t even keep her hands off herself since she became a mom. The problem is that hands are never enough.

Like a women possessed, she attacks her man's cock as if it's giving her life-saving sustenance.

Of course, what she really needs is to stretch out her pussy with a hot, throbbing cock, every day every way.

Another thing that's changed is her new appreciation for anal sex. She was never a fan before, but now, nothing makes her feel so completely filled.

Drenched with cum, Makayla's already thinking about the next session and we're not sure her husband's going tio be able to handle his insatiable slut-wife. He'll need some help. Any volunteers?

Christine

Young Momma, Hot Momma

You can say Christine fits an undesirable stereotype. A baby having babies, some might say. She's been a MILF since she was 19, but she just can't help it, she loves sex and she's a good mom to boot. The father's not around anymore but with looks like these Christine has no shortage of men wanting to pitch in. Oh well, you know what they say, it takes a community to raise a child and even more to keep Christine satisfied.

As soon as they discovered that Christine's man had abandoned her, a countless number of well-intentioned and well-endowed men started sniffing her up.

With a smoldering body and a love for sex, is there any wonder why.

And it doesn't take much to satisfy Christine, if you're good with her boy, she'll definitely be good to you.

I bet this guy's glad he showed the kid some attention.

Here's to Christine and her trend-setting ways. If you think you can satisfy her needs, don't be shy.

HOLIDAY GANG-BANG

Ray and I were on vacation, very relaxed, sipping Pina Coladas, the warm Caribbean sun beating down on us like a sexual recharging machine. Whenever we're out in the sun, we both get extremely horny, and this time was no exception.

"Darling, rub some oil on my back, okay?" I asked, untying the string to my skimpy bikini top. I knew I was being observed by a group of young studs sitting near us, drinking beer, and it turned me on to let them see my bare tits. I leaned up a little off the chaise lounge chair to give them a better view of my 38-DD boobs, and when Ray started rubbing the sides of my fleshy tits with oil, I leaned up even further, telling him to cover my nipples, too. He did, massaging my nakedness as I smiled at the boys staring at me.

"I think we're being watched," I whispered to Ray.

"Really? Where?"

"Over there. Those guys. Oh fuck, Ray, this is making me so hot my pussy is starting to drip," I moaned, squeezing my legs together, trying to masturbate without actually touching myself.

"Spread your legs too, baby. Let's get all of you oily for them," Ray said. He loves showing me off to other men as much as I love having him do it, so I spread my legs as he suggested and felt the material of my thong bikini crawling up inside my ass crack, exposing my entire naked ass to the guys.

One of the men whistled and I smiled at them again, slightly turning on my side to show off a bare breasts, my nipples rock hard now. Speaking of hard, I felt Ray's cock poking into my leg as he rubbed my ass with oil. He was as turned-on as I was, and wasn't doing anything to hide his excitement, either.

"Ray? Are you thinking what I'm thinking?" I breathed.

"You mean..."

"Yeah. All of them at once. Or one after the other, I don't care how. I just need them. You understand my cravings, baby. Don't you? It's okay. Isn't it, baby? Please?"

Ray said he wanted it too, so we put our plan into motion. I rolled over onto my back, barely covering my huge mounds of soft flesh with the tiny material of my bikini top, laying it loosely across my nipples, exposing both the top and bottom parts of my tits to my audience.

"Now, baby? Please?" I moaned, spreading my legs. I looked around to make sure nobody else but the guys were watching me, then quickly ran my hands down inside my bikini and rubbed my clit a few times, all the while staring right at the young studs. That's all it took, and I exploded, my orgasm causing my eyes to flutter shut as I thrashed around on the chair, causing my top to fall off my naked tits for them.

"Awesome!" one of them said.

Other similar comments followed, until finally, one of them got up enough nerve to come over and talk to us.

"You sure got a fine, hot lady there, mister," he said.

"Hotter than you know, son. You and your buddies interested in helping cool her off, maybe?" Ray asked.

One thing led to another, and in less than two minutes, we were all in the elevator on the way up to our room.

"My name is Beth. Here are the rules," I said sternly.

Then, smiling, continued, "Any of you can do anything you want to me. And I mean anything, okay?"

"I'm not sure they believe you, baby. Show 'em," Ray said, his cock sticking out erect in front of him, forming a tent in his bikini briefs.

I looked at the horny young men crowded in next to me in the elevator, and as a shudder coursed through my body, I took off my top, then my bottom, and handed them to Ray. Totally naked, I took the hand of one of the guys standing next to me, and placed it on my tit. Then I took the hand of another one and put it on my pussy. After that, they seemed to finally know what to do, as all of them began feeling me at once.

When the doors opened for our floor, I didn't bother getting dressed again. I stepped out into the hall, naked, and walked proudly down the hall to our room. A chambermaid was just coming out of the room next door to us, and I smiled at her.

"Don't bother cleaning our room just yet, sweetie. We're going to get it very dirty before we're through."

Then we all went inside, and the party began for real.

In the room, all the guys, including Ray, immediately stripped naked. I crawled onto the bed and spread my legs, telling someone to fuck me or eat me or whatever they wanted. Immediately, one of the studs crawled between my legs and rammed his stiff cock into my cunt.

God, it felt wonderful, so hot and long and throbbing with youthful energy. He fucked me as hard and as fast as he could, for maybe three or four minutes. Then he erupted, spewing cum way up inside my pussy as I cried out – no, screamed out my pleasure. I knew the maid in the hall was probably listening, and I wondered if we were making her hot, too.

As soon as the guy pulled out of me, another one took his place, sliding into my now cum-lubricated pussy with ease. He lasted a little longer, but not much, before filling me with his creamy spunk. I didn't come with him, but was working up to another orgasm when the third guy took his turn with me.

Ray was sitting next to me, watching, masturbating, and he told one of the guys to fuck me in the mouth. Somebody crawled up next to my face and I turned to greet his stiff cock with my open mouth, sliding my lips down over his velvety shaft as the guy between my legs kept banging away inside my juicy cunt.

"Oh man, this slut sucks dick like she really loves it," the guy fucking my face said.

"She does," Ray said, his tongue practically hanging out, drooling over the nice, hot cock in my mouth.

I turned back toward him and took him inside my mouth again, sucking the cum out of his dick, chewing it, savouring the salty, bittersweet taste of his sperm before swallowing it. Someone else had moved next to me on the other side, and suddenly, I felt his cum raining down on my face as well, and I giggled, a nasty, perverted giggled as I wiped the hot cum all over my cheeks and lips and forehead, coating my face with the sticky yogurt. I looked at Ray and his cock was twitching uncontrollably, all by itself, as he watched me performing like the true slut I was at that very moment.

One of the young guys moved in to fuck me, but sadly, his cock was tiny!

"Damn, man, she's so full of spunk I can hardly feel the walls of her pussy. This sucks," he said.

"Then fuck her in the ass," Ray said, masturbating, close to coming. His eyes were glazed with perverted, hot lust, and when the guy fucking me pulled out, Ray reached over and took a handful of cum from my cunt and wiped it across my asshole. I moaned, now eager to get my butt-fucked by these cocks as well.

"I think she's ready," Ray said, his voice trembling. I noticed he was shivering, and it turned me on to see him that hot.

"I'm not sure she's ready yet, man. How 'bout you suck her asshole for us to make sure. Try your tongue on her for us first, to make sure she's wet enough for us," the guy who had been fucking my pussy said, a sadistic sneer on his face. I looked at Ray and his body jerked violently. Then he bent down and began licking my ass as the guy suggested.

I felt his tongue creeping up between my sweaty ass crack, and then it was pushing inside my anus. I lifted my legs high in the air and spread them widely apart, giving him better access to my asshole, and I felt his tongue enter my dark butt-hole even deeper than before.

"Uhhhhhhh," I heard him groan, and then his cock was erupting, shooting cum all over the bed, spurt after spurt gushing out of his dick, flying everywhere as he ate my ass. Unable to wait any longer, I pushed him away and screamed at the guy waiting in front of me to "Fuck me in the ass, you fucking bastard. DO IT! SLAM THAT FUCKING COCK UP MY SHITHOLE AND GORE ME WITH IT!"

He did, pushing into me so roughly it felt as though I'd been impaled on a fence post or something. He fucked me like I like it... hard, hot, and with no holding back. When he started to cum, he jammed his tiny cock into me as far as he could, and at least I felt the surge of the cum spurting into my tight hole.

I began masturbating until someone else climbed on and started fucking me again, and then I closed my eyes and let them have their way with me, coming over and over again, for the rest of the afternoon.

Much later, when it was getting dark outside, they finally left. Our room smelled like a locker room, and I stunk from the stench of masculine sweat and cum. It felt like every inch of my body was covered with cum, and my pussy was leaking a river of cum between my totally fucked thighs. Ray crawled up next to me and we hugged, kissing one another.

Whitney

A Good MILF

Whitney's always been a different kind of woman and that didn't change with marriage and motherhood. She would always try to help her common man in any way she could. If a bum needed change she would gladly give him her last dollar, if a friend needed a shoulder to cry on, she would give him much more. If, as is the case here, her brother-in-law needed some loving because his wife wasn't putting out, he could always count on Whitney.

Whitney has a lot of love to give and can't stand seeing anyone in pain. God bless this saintly slut.

It had been nearly a year since this guy had gotten off and Whitney was determined to do it right.

Just lay back buddy
and let Whitney
take care of you.

It's such a shame that this nice hard cock was being wasted, Whitney thought to herself as she was being plowed. She must have a talk with his wife.

Whitney's even gonna clean the guy up afterwards.
What a gal! Do you have any needs?.

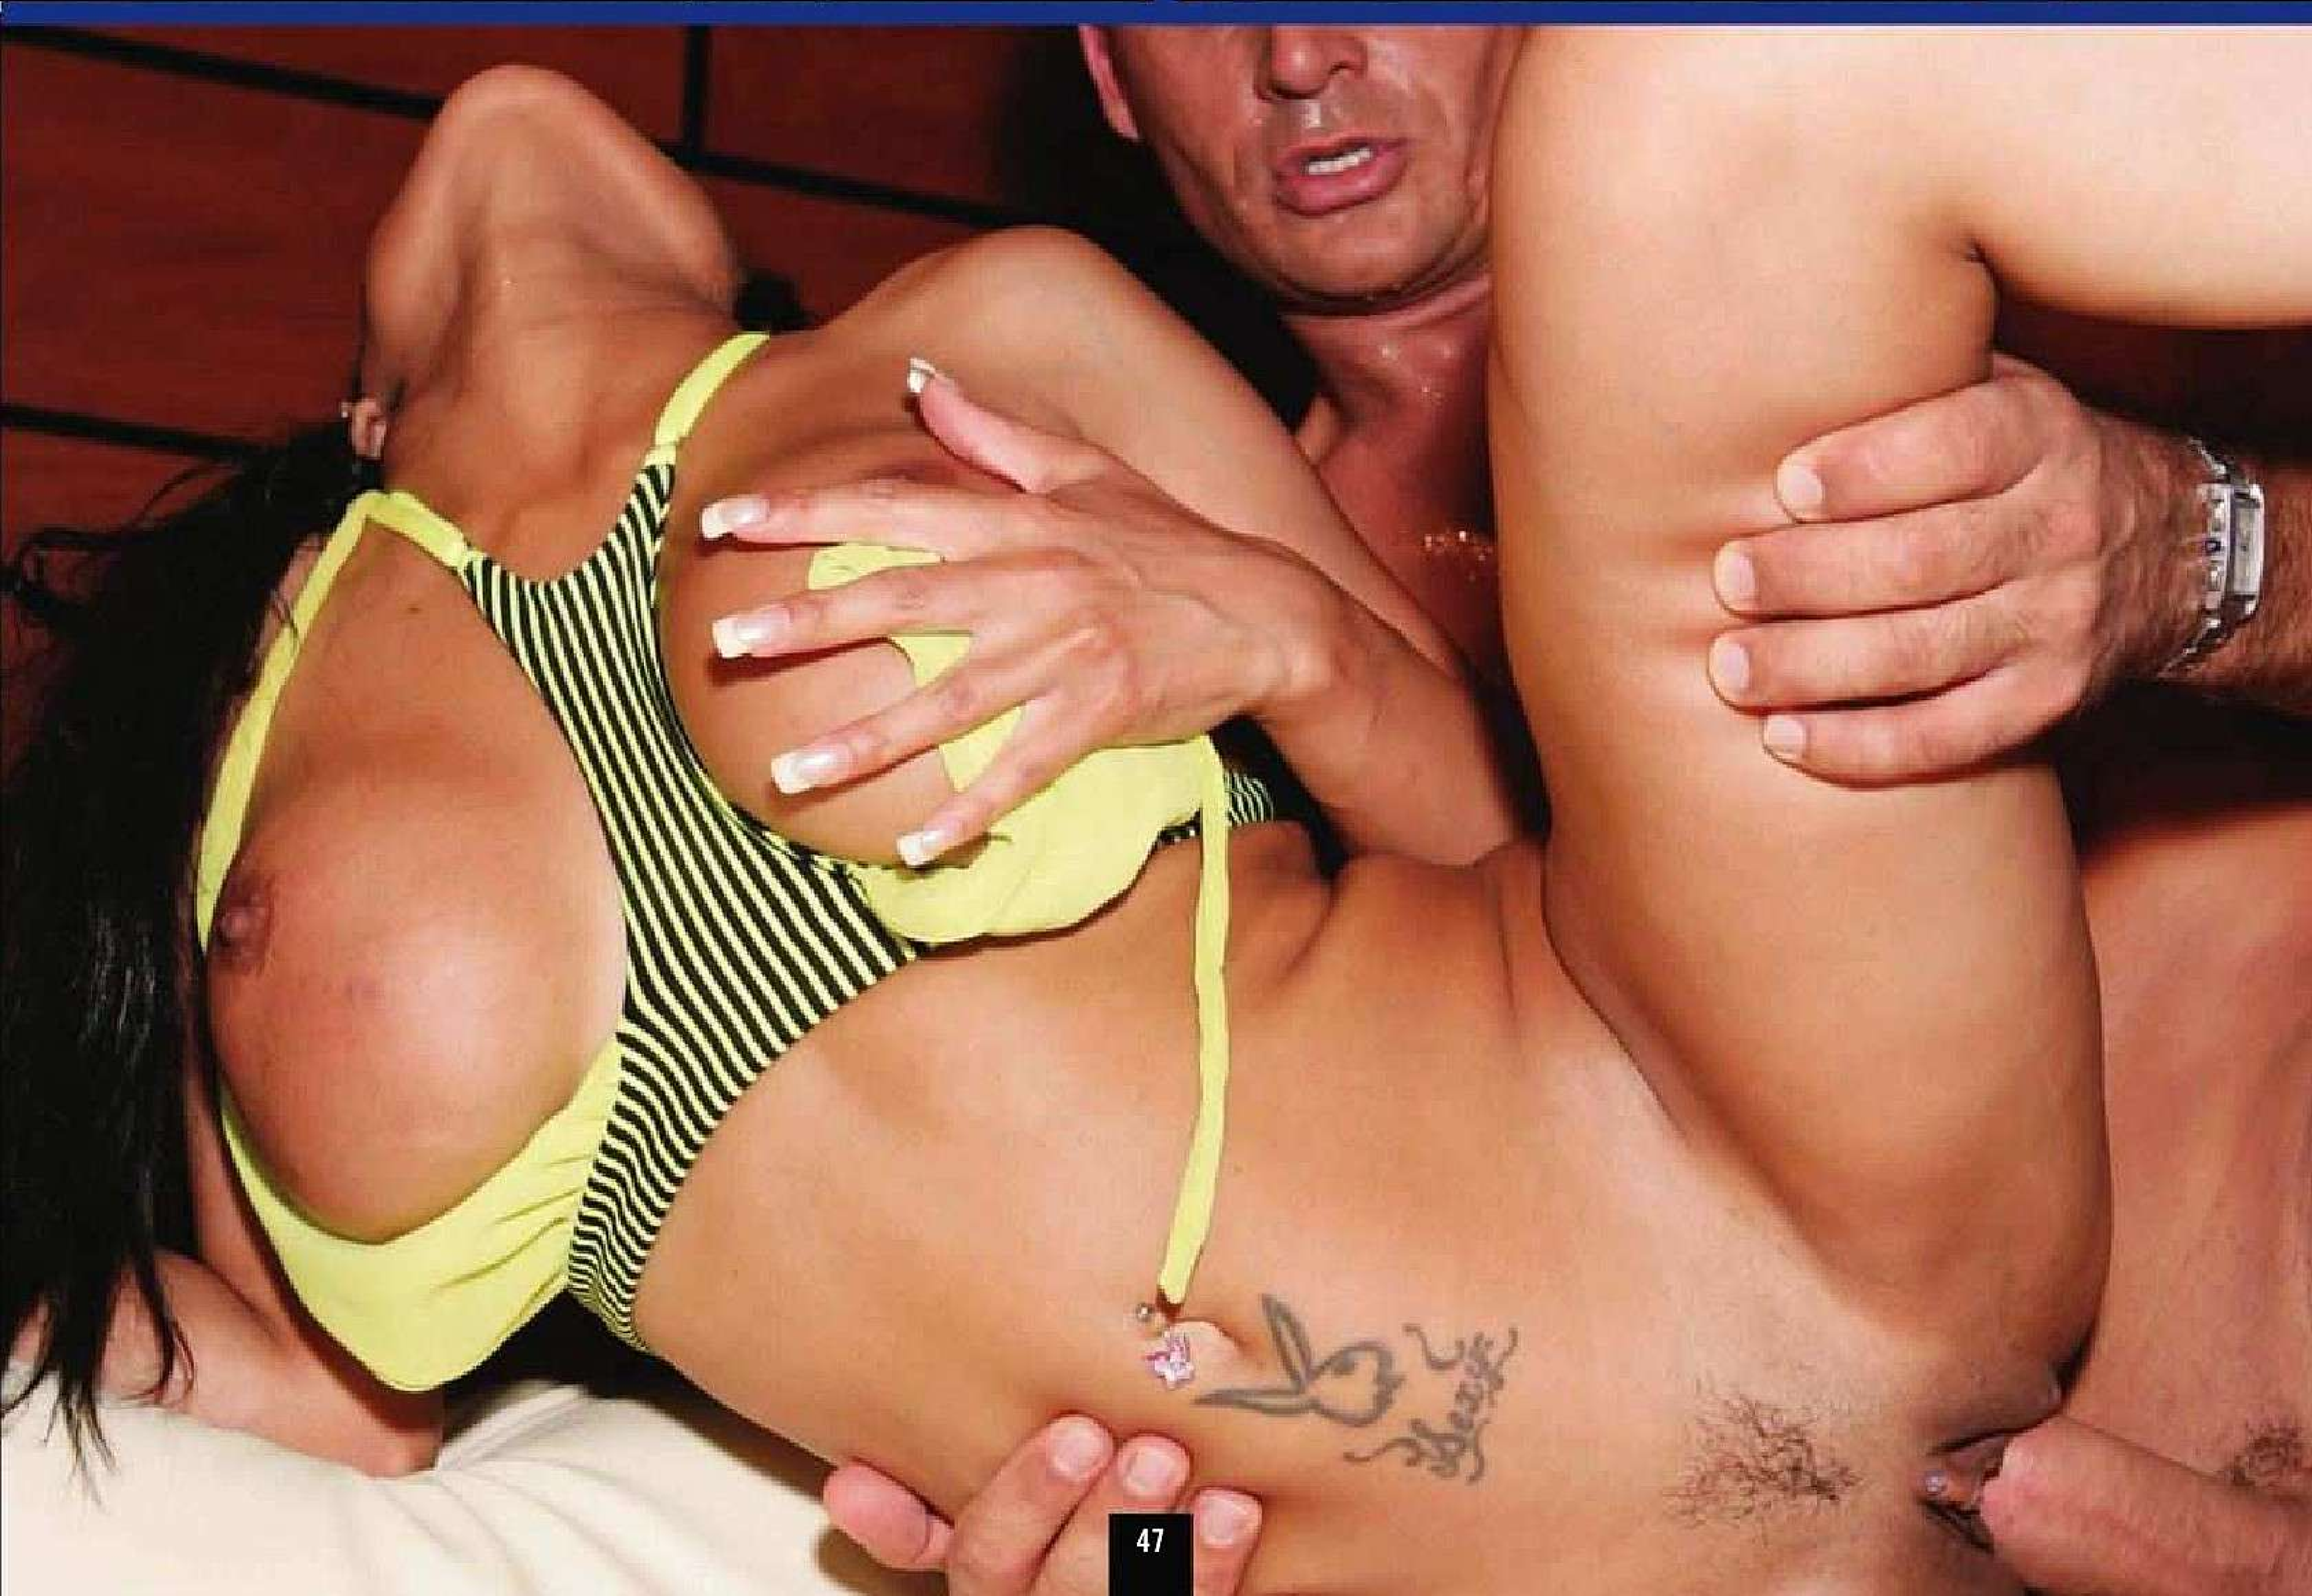
Her husband doesn't mind sharing his wife. In fact he appreciates having a woman by his side who supports him no matter what. It must be true love.



Alexi loves the work as well and it shows, just look at how she throws herself into her job.

It always ends up with a good ass-fucking from her most loyal client. That's great because it costs extra.

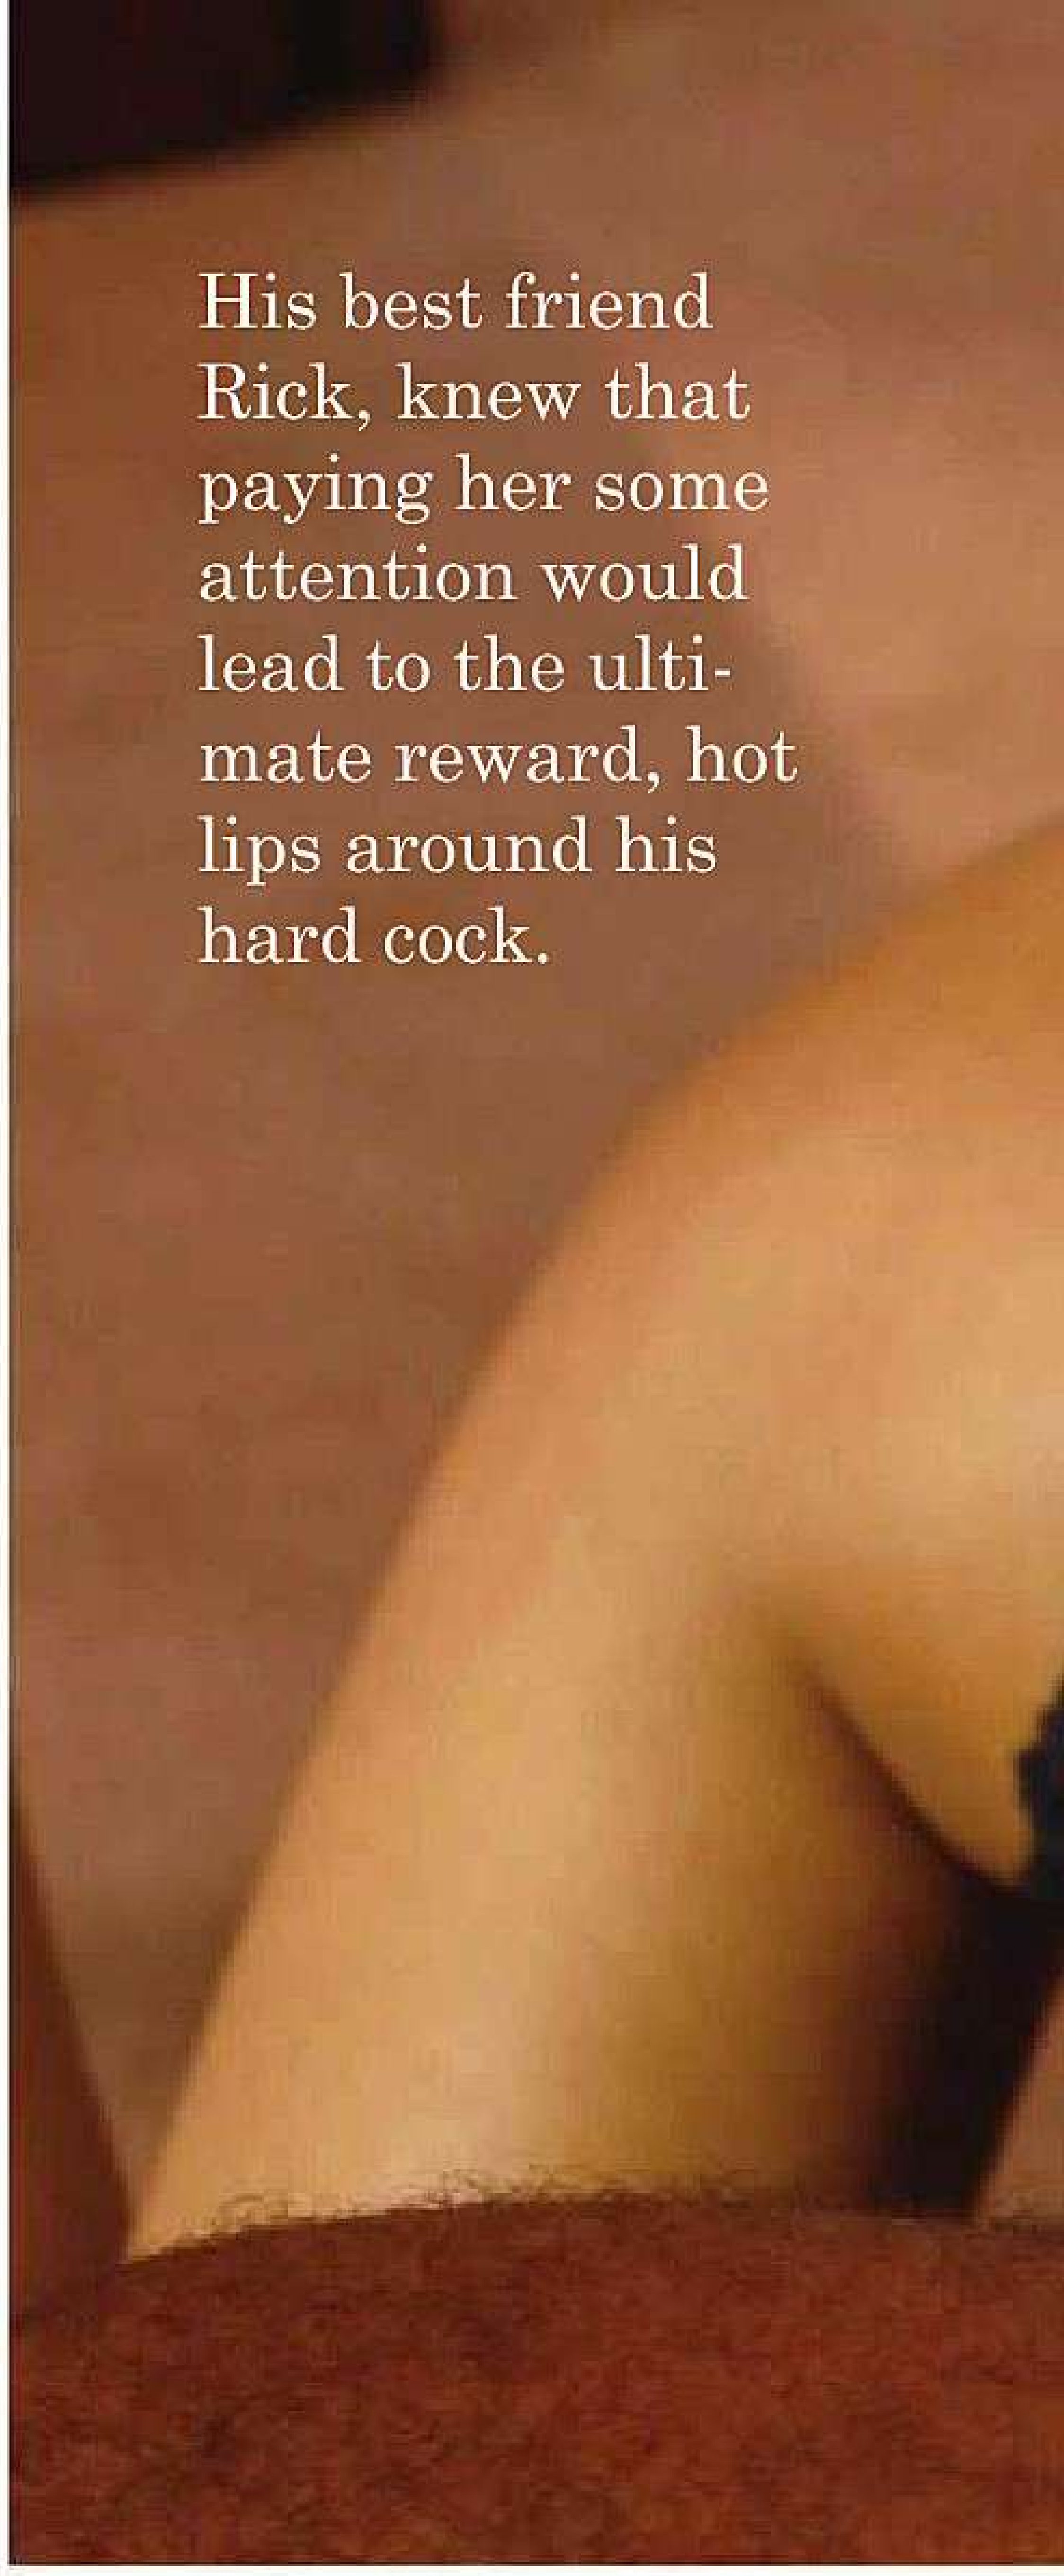
Lezley

All Work & No Play Lead This MILF to Stray

Gentlemen, this is a cautionary tale for those who neglect their women at home and expect no consequences. Lezley's husband is one of those poor fools who ignored his lady's needs, believing that his sexy wife would be content to care of him, the house and the kids while he worked and played with his buddies. Wrong! In fact it was one of his buddies who noticed that this sex kitten needed some attention and he was more than happy to oblige.

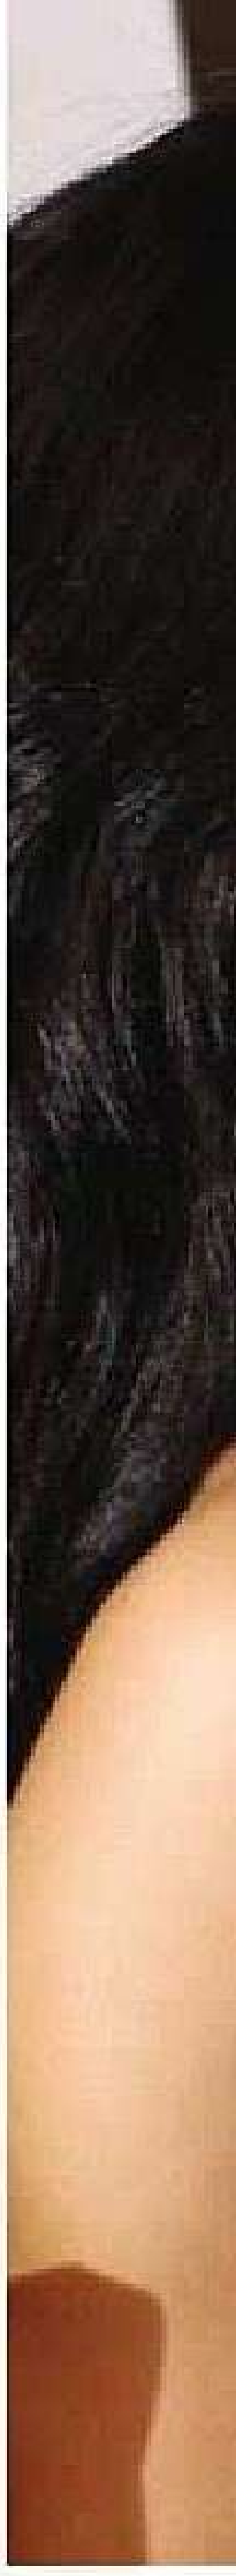
Ever since they had kids, Lezley's husband has found her less desirable, ignoring his wife's curvy little body. Most night she had to satisfy herself, but that was all about to change.



His best friend Rick, knew that paying her some attention would lead to the ultimate reward, hot lips around his hard cock.

She desparately needed a good fucking and what made it even sweeter was that they were doing it right on her husband's desk.

Eager to make up for lost time, Lezley took the lead and tried out all the positions she had fantasized about in her dirty little mind.



Rick awakened a primal need in this nasty MILF and now she's ready to take on all cummers. Want a real treat?

Jasmine

Just Rewards

Jasmine's husband met this Latina bombshell during a business trip to Mexico. He insatantly fell in lust with this spicy signorita and knew he had to have her. Eager to start a new life, Jasmine followed him to America and settled into a life as a dutiful wife. Everyone said it wouldn't last, saying she was after his money and an age difference of nearly 30 years would do in the relationship. Jasmine, to her credit, never let him down and now it was time to thank her in a very special way.

Her aging husband couldn't satisfy her sexually anymore and this pained him. For their fifth anniversary he brought a couple of his employees home to properly fuck his hot wife.

At first they thought it was a trick but once they saw the pictures he had taken, there was no way they could say no.

When Jssmine first heard of the plan, she was in shock and insisted to her husband, that he didn't have to do this. Her soppy pussy said otherwise.

As soon as they pair were inside her, she realized how much she had missed being ravaged like an animal. They took turns fucking alll her holes.

They filled her up completely and it wasn't long before she was cumming harder than she'd ever cum before.

COME BETWEEN US

Vanessa arrived home early from work to find her husband in the swimming pool, eating out their babysitter.

"Oh my God!" Vanessa gasped, placing a trembling hand against the darkened glass of the sliding doors to steady herself.

Her husband was in the sparkling blue waters of the pool, submerged up to his shoulders in the deep end. Tina was sitting on the edge, long, slender legs dangling into the water, lean thighs splayed out on the tile. Bert was gripping those smooth young thighs, his head in-between Tina's legs, bobbing up and down, as he lapped at the girl's pussy. Her head was tilted back, the lean muscles on her arms tautened to support her quivering body, breasts rising and falling rapidly with her excited breathing.

Vanessa stared at the wildly erotic scene, hardly believing her eyes. Tina was a beautiful young girl, just recently turned nineteen, with a slim, sun-browned body and big brown eyes, long auburn hair and a lush, teasing mouth. But there had never been anything between the girl and Vanessa's husband during the four months that Tina had been working for them, as far as Vanessa knew. That had obviously all changed, however, for presently, there was a great deal between them. Bert hungrily licking the girl's slit out in the open under the blazing sun, Tina thoroughly enjoying the intimate sexual attention.

And as Vanessa watched, her shock and disappointment suddenly transformed into angry lust, staring at Tina's young, ripe body. The girl was totally naked, her dark-brown nipples jutting out from her high, firm breasts, her golden skin glowing, shiny hair streaming down her back. It had been Vanessa who had been attracted to Tina originally, the young woman's energy and openness and loveliness rekindling desires in the older woman she hadn't felt since her college days— the days of experimentation.

Spending so much time with Tina, she'd often caught herself about to reach out and caress the girl, perhaps softly press her full lips against Tina's warm, pouty lips, just to see what it felt like, whether it would be as pleasurable as she imagined it would be. But she'd never acted on her impulses, while her husband had.

Vanessa was wearing a tight, white knee-length skirt and a black satin blouse, and as she watched her husband ardently lap at Tina's pussy, she slid a hand down into her skirt, the other up onto her blouse. She cupped and squeezed a breast, wriggling her other hand into her panties and onto her pussy. "Oh, God!" she gulped, shuddering at the hot, damp touch of her own hands and fingers, at the sheer wickedness of what she was doing and what she was seeing.

By all rights, she should've been storming outside and confronting Bert and the teenaged hussy, ordering Tina off her property permanently. But instead, she gazed at the pair, at Tina getting enthusiastically eaten out by her husband, and she surged with erotic heat, taking her own pleasure from the scorching sex scene.

Bert looked up from between Tina's legs, his lips shining with the girl's juices, and said something. Tina looked down at the man and blinked stars out of her eyes, nodded. Bert propelled himself up out of the water and onto the tiled edge of the pool, as Tina squirmed backwards, jumped onto her knees. Bert's cock sprung up hard and huge and dripping right in front of Tina's beaming face, and the girl gripped it, pumped it with her warm, slender hand.

"Oh!" Vanessa breathed, jolted like her husband. Her hand bulged her panties and skirt, fingers rubbing her pussy, left hand clutching her clothed breast. She watched Tina stroke Bert's raging hard-on.

The girl pulled the man's erection down and popped the bloated tip into her mouth, tugged on it with her lips. Vanessa's body bowed like her husband's, overcome.

Bert laced his fingers into Tina's silky hair and jerked the girl's head forward, her mouth plunging down his shaft. Tina's lips slid along Bert's cock, consuming more and more of him, until her nose pressed almost into his damp pubes. Then she bobbed her head back and forth in Bert's hands, sucking on his cock.

"Slut! You little slut!" Vanessa hissed, urging the girl on. She rubbed herself faster, kneading her tits, as Tina sucked on her husband's cock with deep, urgent pulls.

It was too much for Bert to take for too long. Vanessa well-knew how sensitive the man was to getting his cock sucked. He grabbed Tina under the armpits and yanked the girl to her feet, his dong dangling. Then the pair collapsed down onto the pool apron, Bert on top of Tina. She grabbed onto his cock and plugged it into her shaven pussy, all three, the adulaters and the voyeur, moaning as once. Bert pumped his hips, fucking Tina, Vanessa buffing her throbbing clit and rolling her swollen nipples. She could almost hear the wet splash of Bert banging against Tina. The writhing girl hooked her ankles around the man's ass and her arms around his neck, urging him to fuck her harder and faster.

The temperature soared, inside and out. Vanessa burned with a shimmering heat, watching her husband pound into the beautiful young woman. There was no stopping it now, it had gone too far; there could only be ending to the wanton, volcanic activity.

Vanessa shuddered and gasped, coming on the end of her polishing fingers, clutching a buzzing breast in a death-grip as her husband spasmed repeatedly, spraying inside the trembling, wailing, coming girl.

Later, after Vanessa had showered and Bert had gone to the store to pick up some wine for dinner, the woman sat down on the edge of their bed and silently wept. She cried for the adultery she'd seen committed right in front of her, the blatant violation of their sacred marriage vows with a girl Vanessa, herself, had brought into their home. She also cried for her own obscene reaction to what she'd witnessed.

She covered her face with her hands, her body shaking. And then she felt a hand on her shoulder, comforting her. She looked up into Tina's pretty, concerned face.

"What's wrong, Vanessa?" the girl innocently asked.

Vanessa blinked back her tears and swallowed, hard. She opened her mouth to tell Tina exactly what was wrong, tear a strip off the home-wrecking harlot for ruining her marriage. But before she could fully arrange her thoughts and words, she felt the warm pressure of Tina's hand on her shoulder, saw the smouldering look in the girl's brown eyes. She quivered with joy, when Tina's soft, moist lips pressed against her lips.

Vanessa threw her arms around the girl, overcome a second time, fiercely kissing the teenaged seductress back— and getting back at her cheating husband at the same time.

The two women mashed their mouths together, their lips moving excitedly against one another's. Tina slipped her hands into Vanessa's bathrobe and pushed the garment down off the woman's shoulders.

Vanessa pulled back, letting the robe fall to her waist, exposing her large, pale, hanging breasts. Her red nipples were swollen, aching to be touched and tongued and sucked. She was old enough to be Tina's mother, but age meant nothing now, as the young girl cupped the older woman's heavy breasts, gently squeezed them.

"Oh, yes!" Vanessa breathed, tremors of delight running through her.

Tina bent her head down and lifted Vanessa's breasts up to her mouth, teased a distended nipple with her kitten-pink tongue, the other. Vanessa jumped, burning with desire, the girl's wet, swirling tongue feeling so very delicious on her straining nipples.

Tina sucked on Vanessa's tits, engulfing a nipple and half a breast in her mouth and tugging. Then nursing, her cheeks billowing with sucking pressure. Vanessa slid her fingers into the girl's shining hair and implored her onward, arching her back, thrusting out her full breasts into Tina's face and mouth.

"She can be pretty convincing, can't she?" someone said.

Bert was standing in the doorway of their bedroom. He had his hard cock in his hand,
